ABOUT US

The Morningside Arena is Leicester's largest and most flexible indoor entertainment, event, sports and conference venue.

With 2 large arenas for up to 3,000 seated or standing, we have the flexibility to create bespoke layouts for your event, with our two freestanding grandstands utilised to suit from 50 to 1000 people.

Facilities:

- Exclusive mezzanine areas with private bars and toilets
- Multiple toilet facilities and changing rooms
- Bespoke bar layouts
- In-house security team
- In-house rigging team

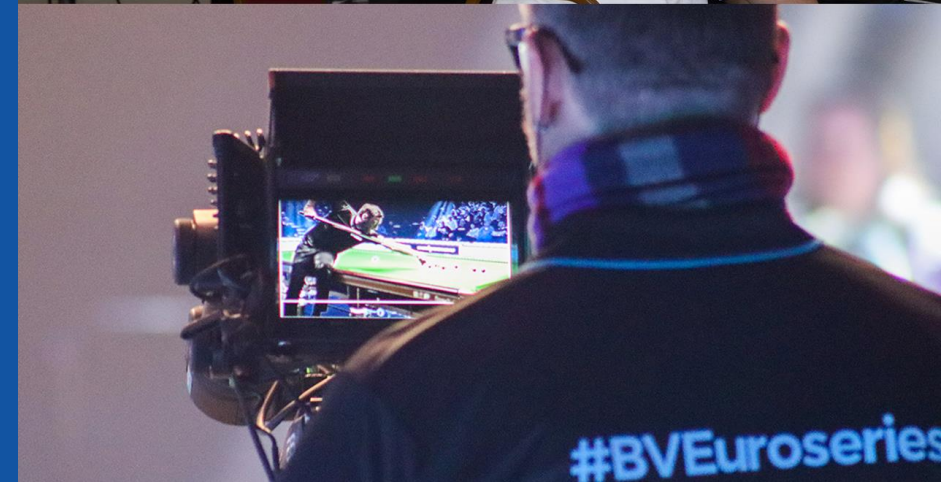

SERVICES

Our dedicated and experienced onsite events team can help you set up and deliver your event by providing Box Office services, online ticketing, and third party supply chain support.

Services:

- Onsite 3 phase power from 200 amp power lock through to 16 amp.
- 1GB internet connection split into VLANs as required
- Two giant LED screens
- Integrated PA system
- Experience of hosting globally televised events
- Air conditioned lounges and offices
- Food and beverage offerings
- Extended premises licence to 2am Monday to Thursday, and 4am Friday to Sunday

CONFERENCES

Morningside Arena can provide multiple, flexible options for:

- Corporate hospitality
- Business meetings
- Networking events

Our highly adaptable room layouts allow us to accommodate from 15 up to 250 attendees, allowing us to offer you a bespoke solution to your conference requirements.

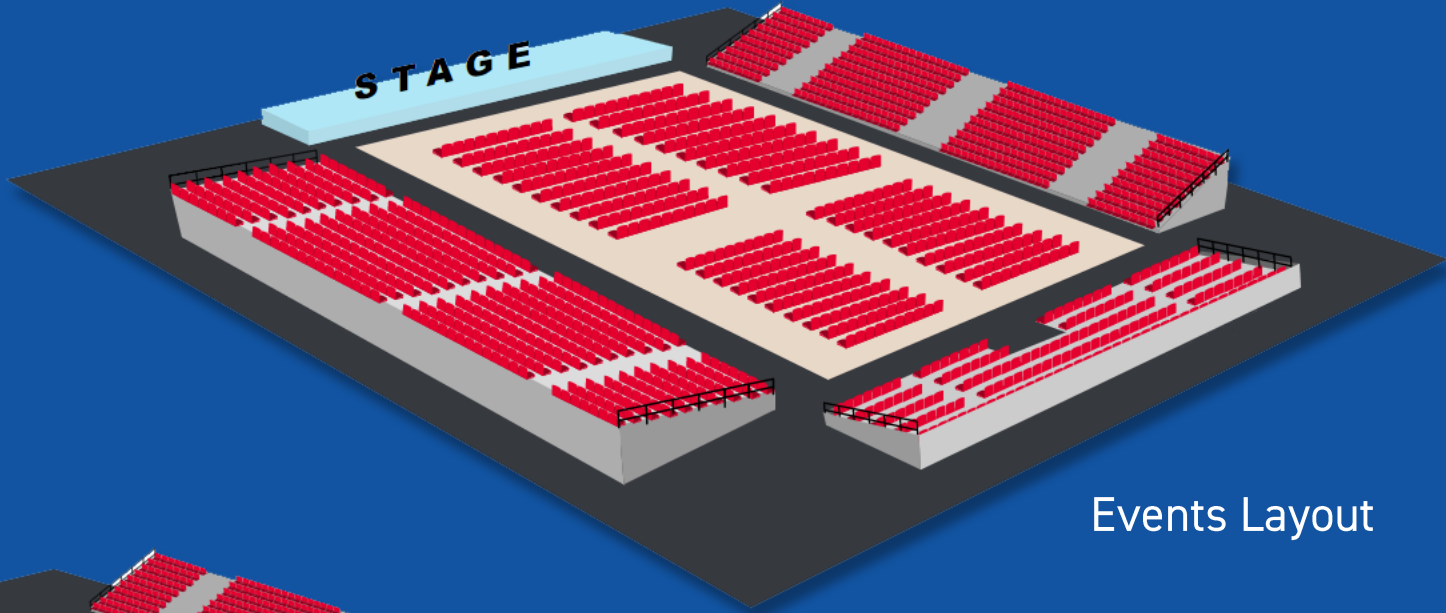

Our food and beverage offerings can support your conference or event with varying menu options.

Conference facilities:

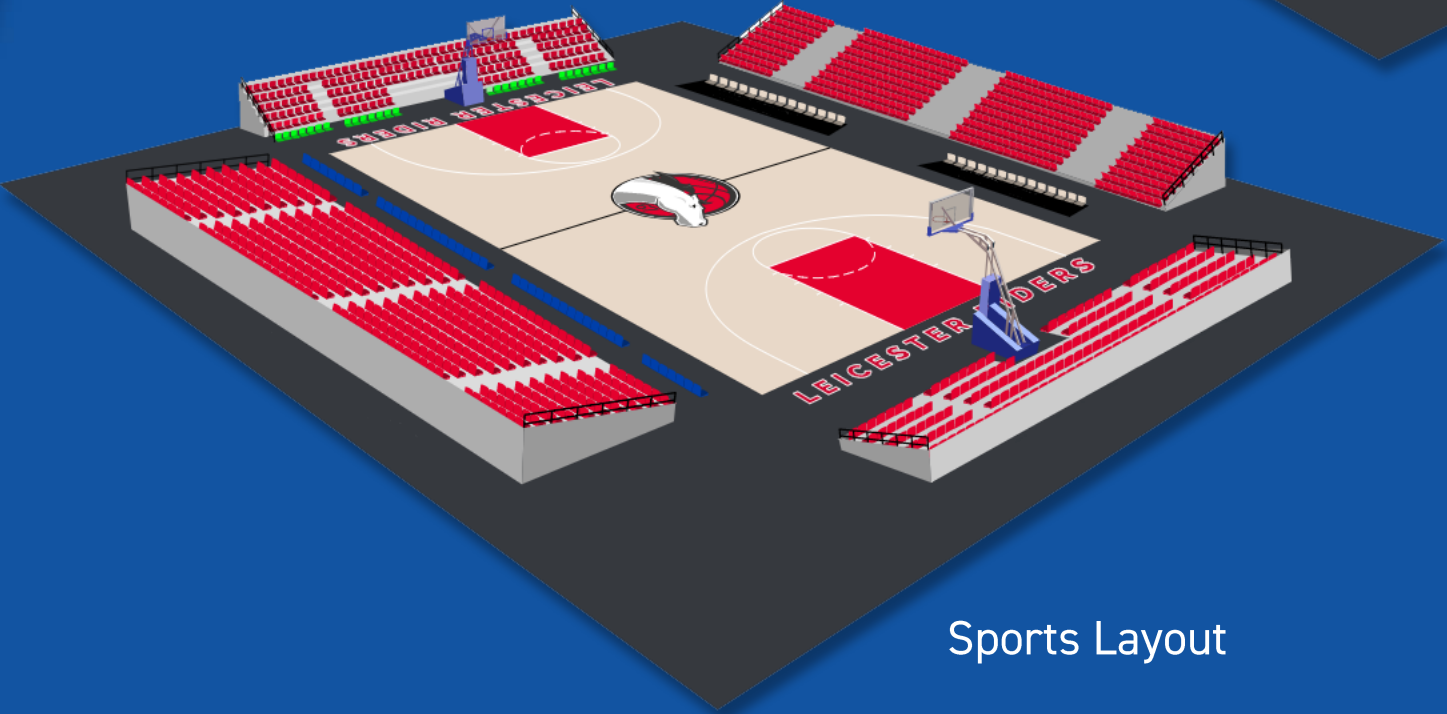

- Presentation screens
- Integrated PA system
- VLAN internet connections
- Air conditioning
- Natural light

SUSTAINABILITY

The Arena has the largest solar power system in Leicester, with 980 250W solar panels which can supply up to 245 kWh at peak times.

Our water is heated by ground source heat pumps providing the Arena with heating and hot water year round.

We also have electric vehicle charging stations onsite, with more planned as part of our Arena Extension Project.

Our target is to reach carbon net zero, reduce the environmental impact of hosting events, and help deliver a greener Leicester!

ARENA ACCESS

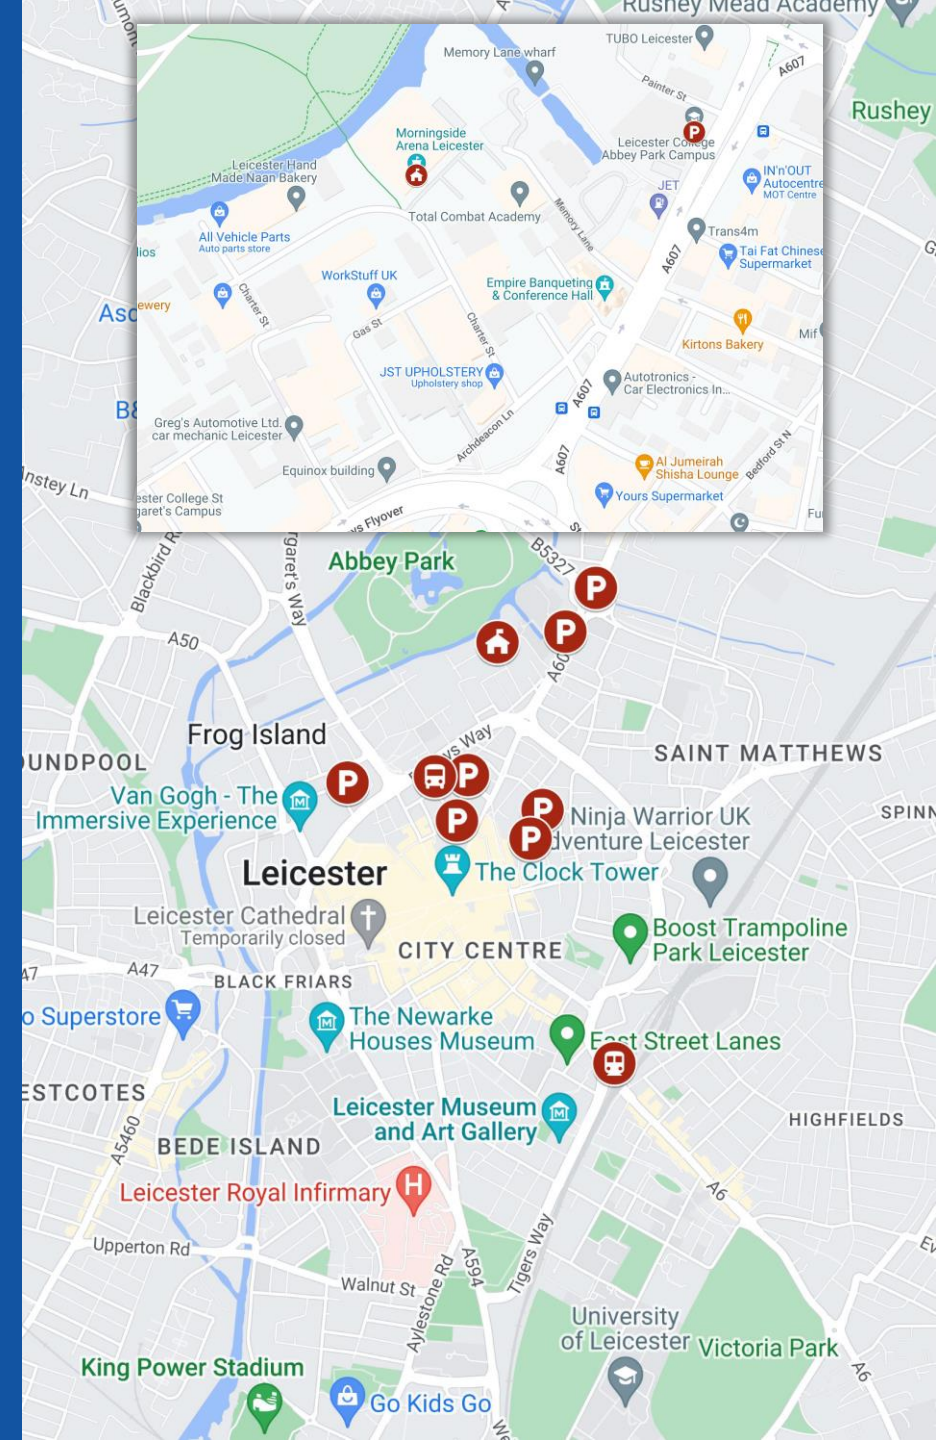

The Morningside Arena has onsite parking including dedicated disabled parking bays, and features charging points for electric vehicles.

The Arena also has superb transport links:

- Train station 15 mins walk
- Bus & Coach station 10 mins walk
- Only 15 minutes drive from Junction 21 of the M1

For external parking, Leicester City has a number of options less than 10 minutes walk from the Arena:

- The Highcross shopping centre
- Leicester College
- Lee Circle
- Abbey Street
- Belgrave Circle
